

Local and National Calls

Calls to any line in Australia must have the area code before the number.

e.g. Calling our Emergency Phone Line (QLD) 5547 5000.

dial 07 5547 5000

International Calls

To dial International Number's please use the following format:

0011 + Country Code + Area Code + Phone Number

Other Information

Some 1800, 1900, 1901 and 1902 number's might not be able to be dialed from a VoIP service.
